Teixidors is a Barcelona based company with a social vocation aimed at achieving economic independence and social integration of people with learning difficulties. This objective has laid the foundation for over 30 years of award-winning design, created on manual looms in our own workshop.

Teixidors source the highest quality raw materials, like cashmere and

Handcombed Yak Wool from a cooperative in Mongolia, and Ecological Merino Wool from a small farm in Provence. Today Teixidors's exquisite throws, bedspreads, pillows and scarves can be found in some of the most prestigious stores in the world.

Teixidors is part of the non-profit Fundació Privada President Amat Roumens (FUPAR) based in Terrassa, Barcelona.
